Basic operation

Charging the battery:

- Connect the e-Reader to a wall outlet using the included AC adaptor.

OR

- Connect the e-Reader to the computer using the included USB cable.

When charging, the indicator light is red, and it will turn green after it is fully charged.

Note: For faster charging, use the AC adaptor instead of connecting to the computer.

Turning on or off:

Make sure the e-Reader is fully charged before turning it on.

Press and hold [] until the Main Menu appears or the e-Reader shuts down.

Inserting the SD card (not included):

The e-Reader supports SD / MMC cards (up to 16 GB) to save audio, video and picture files.

To install the SD card into the e-Reader, follow the steps below:

- Turn off the e-Reader.
- Insert the SD card (face up as shown) into the card slot until it clicks and locks into place.
- To remove the card, gently push it in until it pops out.

To access the SD card, go to **Settings > Explorer**.

Note: A card can only be inserted one way; do not use force when inserting the card. Inserting or removing a card while the e-Reader is on may damage the card, files stored on the card, or the e-Reader.
